Dear Legion,

By joining The American Legion, you have taken the first step to connect to the most powerful veteran service organization in America. By taking the next step and transferring to Post 30, you are connecting with other American Legion members in your area and this is the true strength of our organization.

American Legion Post 30 exists to support fellow veterans, their families, and our community. I invite you to make Post 30 your American Legion home here in Edgerton.

Basically, we are a family. Like all families, we see all levels of involvement from our members. Some attend all our functions while others pick and choose their involvement because of commitments to other activities or personal family responsibilities. Some of our members can only commit to paying their annual dues. Regardless of your level of activity, together, our members create the strength necessary to further our commitment in supporting our community and our fellow service members.

To transfer, you only need to sign below and mail it back to us at the address listed above. If you have not paid your 2023 dues, please send a check for \$40.00 made out to American Legion Post 30. In addition, please review your current information for accuracy, and make any corrections below.

We look forward to hearing from you!

Jim Cottrell, Adjutant Post 30
